Notice concerning Agreement to Cancel Sponsorship Contract with Suncity

Tokyo, January 17, 2012—FinTech Global Incorporated (hereafter, “FGI” and “the Company”) has concluded an agreement with Suncity Co., Ltd. (hereafter, “Suncity”) on the cancellation of the sponsorship contract (hereafter, “the Contract”) signed on September 26, 2011. Details of the agreement are presented below.

Particulars

1. Background

Suncity filed a petition on September 26, 2011, to commence civil rehabilitation proceedings, and the Sendai District Court handed down an affirmative decision on October 12, 2011. FGI signed the Contract with Suncity on the same day that the petition was filed seeking to prevent any initial missteps upon filing and to ensure that rehabilitation proceedings followed a smooth course of execution, and the Company has supported Suncity in its rehabilitation efforts.

FGI discussed the status of the Contract with Suncity, taking generally into consideration that Suncity’s rehabilitation measures have moved forward without any of the major disruption that management feared might occur upon filing the petition and that Suncity will be implementing sponsor selection, particularly for business activities, and it was decided that the Contract between the Company and Suncity would be terminated.

2. Outlook

FGI intends to continue its support to ensure that Suncity makes steady progress on its rehabilitation efforts. Please note that the impact of Contract cancellation on the Company’s business results is, at this time, considered to be minimal.
