(Update on Previously Disclosed Information) Notice Regarding FGI's Measures Taken Following Release of Investigation Report by AI storm Co., Ltd.

Tokyo, November 6, 2026— FinTech Global Incorporated (hereafter, "FGI" and "the Company") hereby provides an update on the status of a situation (hereafter, "the Situation") where AI storm Co., Ltd. (stock code 3719; hereafter, "AI storm") failed to complete procedures for transferring registered title of some vehicles to funds for which the company was the stated operator of the underlying assets, as described in the press release "FGI's Response in Light of Announcement Regarding Outcome of Investigation by AI storm," dated September 2, 2026.

Particulars

1. Transfer status of registered titles

For some of the funds in which AI storm is the operator—that is, the operator of underlying assets in sale-and-leaseback arrangements—the Situation has been resolved, either through progress in completing procedures for transferring registered title of vehicles for which that process had not been properly completed or through buyback of certain vehicles by AI storm itself. For the remaining funds, AI storm continues to work through the registered title transfer process. Please note that FGI will not provide detailed information on the status of individual funds in this press release.

2. Signing MOU with AI storm

FGI signed a memorandum of understanding (MOU) with AI storm on October 30, 2026, that sets a fixed deadline by which this company must complete procedures to transfer the remaining registered titles. Going forward, FGI will monitor AI storm's progress to ensure compliance with the deadline set in the MOU.

3. Outlook

As of today, AI storm has fulfilled all lease payment obligations associated with the aforementioned funds. That said, FGI maintains its position that no new arrangements will be formed nor any new placements invited into funds in which AI storm is the operator of the underlying assets.

For details on the impact of the Situation on FGI's consolidated results, please refer to "Summary of Financial Statements for Fiscal 2026 (Under Japanese GAAP)" and a separate press release "(Update on Previously Disclosed Information) Notice Concerning Revenue Decrease and Booking of Allowance for Doubtful Accounts," both posted to FGI's website today.
