The Audit and Supervisory Committee has approved this proposal.

The two candidates are:

(Notes)
1. Years in office is the aggregate number of years up to the end of the Meeting.
2. In accordance with Article 427, Paragraph 1 of the Companies Act, the Company has entered into an agreement with Atsuhiko Nozaki to limit his liability under Article 423, Paragraph 1 of the same act. 1. Atsuhiko Nozaki (Date of birth: December 2, 1952)

Career summary, and current position and responsibility at the Company:

Apr. 1975	Joined Nippon Life Insurance Company	Jun. 2012	Auditor, Osaka Cancer Society (a public interest incorporated foundation) (current)
Jul. 2001	Manager of Auditing Department, Nippon Life Insurance Company	Jun. 2015	President, Nissay Green Foundation (a public interest incorporated foundation)

Jul. 2008	President, Nippon Life Saiseikai Foundation (currently certified as a public interest incorporated foundation)	Dec. 2022	Outside Director, Audit and Supervisory Committee Member, FGI
		Dec. 2023	Outside Director, Full-time Audit and Supervisory Committee Member, FGI (current)

Significant concurrent position:

Outside Director, The Kinki Sharyo Co., Ltd.

No. of Company shares owned:

0 shares

Term of office of Outside Director (Audit and Supervisory Committee Member) (at the conclusion of the Meeting):

4 years

Reason for nomination as candidate for Outside Director who is Audit and Supervisory Committee Member, and outline of expected role:

Atsuhiko Nozaki has experience as a corporate auditor at a life insurance company and in management at incorporated foundations, and possesses wide-ranging knowledge, especially insights on auditing. FGI also benefits from the valuable advice and suggestions he offers at Board of Directors' meetings. Also, as a full-time member of the Audit and Supervisory Committee, Mr. Nozaki acts as a communication bridge by gathering information through discussions with officers and employees and then sharing this information with part-time members of the Audit and Supervisory Committee and constantly engaging in opinion exchange with other members of the Audit and Supervisory Committee. Such efforts contribute to the operation of the Audit and Supervisory Committee. The Company requests Mr. Nozaki's reappointment as an Outside Director who is an Audit and Supervisory Committee Member, having concluded that he will continue to apply his extensive experience and insights to audit and supervise the execution of duties by Directors from a position independent of management, thereby contributing to appropriate decision-making by the Board of Directors and further enhancing the effectiveness of the Board's supervisory function.

Special interest between the candidate and the Company:

There is no special interest between Mr. Nozaki and the Company.

Attendance at Board of Directors' meetings and Audit and Supervisory Committee meetings held in the 32nd business term (the year ended September 30, 2026)

Board of Directors Meetings: 17/17 (100%)

Audit and Supervisory Committee Meetings: 13/13 (100%)

Independent Director

The Company has registered Mr. Nozaki with the Tokyo Stock Exchange as an Independent Officer, in accordance with requirements regarding the designation of outside directors who present no risk of a conflict of interest with general shareholders. If Mr. Nozaki is reappointed, the Company will again designate him as an independent director. In January 2022, FGI entered into an advisory agreement with Mr. Nozaki that lasted for about a year. Total compensation during the contracted period was less than ¥10 million on an annualized basis, and because the amount is not significant, this prior role does not impact Mr. Nozaki's independence. It also bears mentioning that Mr. Nozaki worked for Nippon Life Insurance Company, which is a business partner of the Company and its subsidiaries. However, more than 10 years have passed since he left the company, and the amount paid to or received from the company in transactions with the Company and its subsidiaries for the fiscal year ended September 30, 2026, was less than 1% of consolidated revenues or ordinary income of the Company and its subsidiaries or the company. Accordingly, management has concluded that the company is not a business partner that could significantly affect the Company's decision making.

2. **Yoshiki Takeuchi** (Date of birth: May 12, 1960)

New appointment /Outside/Independent Director

Career summary, and current position and responsibility at the Company:

Jul. 2014	Deputy Director-General, International Bureau, MOF	Feb. 2026	Advisor, Meiji Yasuda Life Insurance Company (current)

Significant concurrent position:

Outside Director, LIBERA GROUP Co., Ltd.

No. of Company shares owned:

0 shares

Term of office of Outside Director (Audit and Supervisory Committee Member) (at the conclusion of the Meeting):

Not applicable

Reason for nomination as candidate for Outside Director who is Audit and Supervisory Committee Member, and outline of expected role:

Yoshiki Takeuchi has enjoyed a distinguished career, holding key positions at the Ministry of Finance including Director-General of the International Bureau and Vice-Minister of Finance for International Affairs. He has a high-level specialized knowledge and a wealth of experience in international finance, public finance and taxation. From 2021 through 2025, Mr. Takeuchi also served as Deputy Secretary-General of the Organisation for Economic Co-operation and Development (OECD), gaining experience in organizational management from an international perspective.

Although Mr. Takeuchi has never been involved in the running of a company other than as an outside director or outside corporate auditor, the Company has nominated him as a candidate for an Outside Director who is an Audit and Supervisory Committee Member, seeing the experience and insight he has acquired in these roles giving him the ability to audit and supervise the execution of duties by Directors from a perspective independent of the management team, and thereby contributing to appropriate decision-making and enhancing the effectiveness of the Board's supervisory function.

Special interest between the candidate and the Company:

In January 2026, FGI entered into an advisory agreement with Mr. Takeuchi under which he has been retained to provide advice on the management policies of FGI and the FGI Group. But if his appointment to the position of Outside Director who is an Audit and Supervisory Committee Member is approved, the Company plans to terminate this agreement. Total compensation during the contracted period under each agreement was less than ¥10 million on an annualized basis, and the Company has determined that there is no risk of a conflict of interest with general shareholders.

Attendance at Board of Directors' meetings and Audit and Supervisory Committee meetings held in the 32nd business term (the year ended September 30, 2026)

Board of Directors Meetings: Not applicable

Audit and Supervisory Committee Meetings: Not applicable

Independent Director

If Mr. Takeuchi is appointed to the position of an Outside Director, the Company intends to designate him as an Independent Officer, in accordance with requirements regarding the designation of outside directors who present no risk of a conflict of interest with general shareholders. In addition to the aforementioned advisory agreement between FGI and Mr. Takeuchi, the Company previously engaged Mr. Takeuchi under an advisory agreement between January 2021 and October of the same year. Total compensation during the contracted period was less than ¥10 million on an annualized basis, and because the amounts are not significant, neither agreement impacts Mr. Takeuchi's independence.

The Company proposes to authorize the Board of Directors to finalize subscription matters of share warrants to be issued as stock options to the Company's employees (including contract employees and fixed-term employees) and its subsidiaries' directors and employees (including contract employees) in accordance with the provisions of Article 236, Article 238 and Article 239 of the Companies Act.

Share warrants are subject to the provisions applicable to the acquisition of share warrants, under which the Company may acquire share warrants free of charge in the case where the consolidated financial statements including the consolidated statements of income (limited to those in relation to the 33rd business term of the Company), in which the Company posted a loss attributable to the owners of the parent company, are approved at the Company's Board of Directors' meeting.

In addition, when said stock option rights are exercised, the Company will apply a policy of prioritizing the disposal of treasury stock over the issuance of new shares.

1. Reason for the need to offer stock options to those who subscribe to them under highly preferential terms and conditions

The Company intends to offer subscription to stock options (share warrants) to its employees (including contract employees and fixed-term employees) and directors and employees (including contract employees) of its subsidiaries without contribution for the purpose of ensuring and maintaining motivation and morale for better performance and heightening company value.

In principle, stock options shall be offered for the benefit of some employees (including contract employees and fixed-term employees) who are in service with the Company and directors and employees (including contract employees) who are in service with its subsidiaries as of September 30, 2026, and at the time of the issuance. The Company will issue the same kind of stock option (share warrant) every year.

2. Particulars and maximum numbers of share warrants, the offering of which shall be finalized subject to the approval at the Meeting

(1) Maximum number of share warrants, the subscription of which shall be finalized in accordance with the authorization at the Meeting

The maximum number of share warrants shall be 3,550 lots, in accordance with the particulars set forth in (3) below.

The number of shares to be granted upon exercise of share warrants shall be the 355,000 ordinary shares of the Company at the maximum and in the event of adjustment in the number of shares granted as defined in (3) (a) below, the maximum number of shares shall be the total number of the post-adjustment shares granted multiplied by the maximum number of share warrants stated above.

(2) Share warrants, the subscription of which shall be finalized subject to authorization, shall require no payment.

(3) Particulars of share warrants, the subscription of which shall be finalized subject to the authorization

(a) Type and number of shares to be granted upon exercise of share warrant

The type of shares to be granted upon exercise of share warrants shall be the ordinary shares of the Company, and the number of shares of the same (hereinafter referred to as the "number of shares granted") shall be one hundred (100).

However, in the event of share split-up (including allotment of ordinary shares of the Company without contribution, and the same shall also be applicable to the share split-up) or share split-down of ordinary shares of the Company to be exercised after the allotment date of share warrants (hereinafter referred to as the "date of allotment"), the number of shares granted shall be adjusted in accordance with the following formula.

$$\text{Post-adjustment number of shares granted} = \text{Pre-adjustment number of shares granted} \times \text{Percentage of share split-up / split-down}$$

Besides the event above, if an adjustment in the number of shares granted is required after the date of allotment, the Company shall have the right to do so within a reasonable period of time.

Any odd lot falling short of constituting one (1) share upon adjustment above shall be rounded off.

(b) Value of the assets to be contributed at the exercise of share warrants

The value of assets to be contributed at the exercise of each share warrant shall be the price per share to be granted upon exercise of each share warrant (hereinafter referred to as the "exercise value") multiplied by the number of shares granted.

The exercise value shall be calculated by multiplying 1.05 by the average value of the closing price of ordinary shares of the Company on the Tokyo Stock Exchange (hereinafter referred to as the "closing price") on each business day in the preceding month to the month of allotment (excluding a day on which no trade is executed) to be rounded up to the nearest Japanese yen (¥1), or the closing price on the business day immediately prior to the date of allotment, whichever is higher (if there is no closing price available on the aforesaid business day, the closing price on the immediately preceding trading day shall be adopted). The exercise value shall be subject to the adjustment as follows:

i. In the event of a share split-up or share split-down of ordinary shares of the Company to be exercised after the date of allotment, the exercise value shall be adjusted in accordance with the following formula and any odd number falling short of constituting one Japanese yen (¥1) upon adjustment shall be rounded up.

$$\text{Post-adjustment exercise value} = \text{Pre-adjustment exercise value} \times \frac{1}{\text{Percentage of share split-up/split-down}}$$

ii. In the event of issuing new ordinary shares of the Company at a price which is lower than the market value or disposal of the Company's shares after the date of allotment (excluding the exercise of sale and transfer of the Company's shares in accordance with Article 194 of the Companies Act (claim for sale and transfer of odd lot shares by the odd lot shareholders), conversion of securities which are to be converted or convertible to the ordinary shares of the Company, or exercise of share warrants entitled to offering of the ordinary shares of the Company, including those affixed to the convertible bonds), the exercise value shall be adjusted in accordance with the following formula and any odd number falling short of constituting one Japanese yen (¥1) upon adjustment shall be rounded up.

$$\text{Post-adjustment exercise value} = \text{Pre-adjustment exercise value} \times \frac{\text{No. of shares issued} + \dfrac{\text{No. of new shares} \times \text{Payment per share}}{\text{Market value}}}{\text{No. of shares issued} + \text{No. of new shares}}$$

"No. of shares issued" referred to in the above formula shall be the sum of the total ordinary shares of the Company issued after subtracting the number of ordinary shares held by the Company. In the event of disposal of the Company's shares, "no. of new shares" shall be replaced by "no. of Company's shares disposed".

iii. In addition to the formula above, in the event of allotment of shares without contribution of other types of shares to the ordinary shareholders or dividend of other Company's shares paid out to the ordinary shareholders after the date of allotment, where adjustment in the exercise value is required, the Company shall have the right to do so within a reasonable period of time in consideration of their terms and conditions.

(c) Exercisable period of share warrants

The above period shall be set forth by the Board of Directors of the Company between December 28, 2028 and November 30, 2036.

(d) Matters in relation to the increased capital and legal capital surplus at the issuance of new shares upon exercise of share warrants

i. The amount of capital to be increased at the issuance of new shares upon exercise of share warrants shall be half the maximum capital increase to be calculated in accordance with Article 17, Paragraph 1 of the Regulation on Corporate Accounting, and any odd number falling short of constituting JPY Japanese yen (¥1) upon adjustment shall be rounded up.

ii. The amount of legal capital surplus to be increased at the issuance of new shares upon exercise of share warrants shall be the sum of the maximum capital increase set forth in i above after subtracting the capital increase set forth in i above.
